

## Call for Innovative Project Proposals from Alumni Cell, IEST, Shibpur

The Alumni Cell of IEST, Shibpur is inviting innovative project proposals from the students (UG/PG/PhD) of IEST Shibpur. The proposals may contain innovative ideas which may also be related to combating the COVID-19 pandemic and other natural disasters. The Alpona Banerjee Memorial Endowment Fund will provide funding to the selected projects. The students have to submit the proposals within **10th October, 2020** to Dean - International Relations & Alumni Affairs (by email to [alumni@iests.ac.in](mailto:alumni@iests.ac.in)). The proposal should clearly mention the objective, innovation / novelty, methodology, deliverables, duration and the estimated budget (with details like name of the accessories, consumables, contingency etc.). This call will support a maximum INR 50,000.00 per project. However, for an exceptionally good projects the budget may be increased. It may be noted that no equipment as such is permissible (only components, devices, accessories are allowed) from this grant. Each project may have one or more students (maximum six) along with one faculty member as a mentor.

Arindam Biswas
