#### Capacity Building for Design and Entrepreneurship (CBDE)

To emphasize on fostering a culture of innovation; promote entrepreneurial spirit and provide a conducive environment for students to develop innovative solutions to real-world problems, the Ministry of Education, GoI, has started a capacity building program on Design and Entrepreneurship for the HEIs under the aegis of Malaviya Mission Teacher Training Program.

The students will experience learning-by-doing guided by the faculty mentors and external mentors for creative transformations and promising student teams will be supported to pursue product design and entrepreneurship. The program will enhance the career prospects of the students and may also be considered for their internship requirements.

Interested students are advised to fill up the [google form](https://forms.gle/pGRggQwR1d9diNicA) to be a part of this program through the following link : <https://forms.gle/pGRggQwR1d9diNicA>
